

Sr. K - 8th GRADE FINANCIAL AID

At Abiding Savior Lutheran School, we believe in fostering an inclusive and accessible learning environment. Recognizing the importance of financial support, we offer a range of financial aid options to ensure that families who feel led to be at ASLS can attend. From scholarships and assistance to payment plans, our commitment is to make education at Abiding Savior Lutheran School attainable for all, nurturing young minds and forming the next generation of Christian leaders.

Multi-child discount

Offering a sibling discount on tuition serves as an incentive to support families with multiple children attending the same school. This practice recognizes the financial commitment families make and aims to alleviate some of the burden, making quality education more accessible.

Payment plans

The payment plan options include paying in full for a 2% discount, monthly or bi-monthly payments for 10 or 12 months.

Abiding Savior Lutheran Church Tuition Assistance

Families must submit the FACTS application through LESA to be considered for this additional award.
