

Dear Friend,

I hope this letter finds you well. On behalf of Abiding Savior Lutheran School, I'm excited to share the details of our 2026 Dinner Auction, *Unbridled Spirit*, which will take place on **Friday, April 24, 2026, at The Falls in Columbia, IL.**

Unbridled Spirit celebrates the energy, faith, and resilience that define our church and school community. We're reaching out to ask for your support for this special event. Your partnership will directly benefit the **nearly 250 students** who attend Abiding Savior from **22 zip codes**, and across **three counties**, as well as the **City of St. Louis**. These students represent a vibrant and diverse community, united by a shared pursuit of academic excellence and spiritual growth. Here are some ways you can support our mission:

- Show your support through a sponsorship
- Donate a basket, product, or gift certificate
- Purchase an ad placement in the auction booklet
- Provide a sweet treat for the Dessert Dash

By supporting Abiding Savior through one of these options, you will help us raise essential funds to provide updated curriculum, classroom resources, facility improvements, and innovative programs. Most importantly, your gift strengthens our mission to nurture young hearts and minds in a Christ-centered environment, while keeping tuition affordable for our families. I invite you to learn more about our school at aslonline.org!

Our sponsorship packages offer meaningful visibility and connection to a broad audience—families, alumni, community members, and local businesses—who share a commitment to education and future generations of leaders.

We'd love to talk more about how you or your organization can play a role in this year's *Unbridled Spirit* celebration. Whether through sponsorship, auction donation, or attending the event, your generosity makes a lasting impact on the students and families we serve. Thank you for considering a gift of support for Abiding Savior!

With gratitude,

Rebecca Sanft
